

Project WET and Project Learning Tree Workshop

This Professional Development workshop provides you with the Project WET (Water Education for Teachers) and Project Learning Tree Activity Guides and training to use within your classroom OR educational program. It is great for K-12 teachers, interpreters, as well as all other educators who work with the public.

Date: Friday, July 28th, 2017

Location: Mingo National Wildlife Refuge Visitor Center, Puxico, MO

Times: 8:30 a.m. to 5:00 p.m.

PLEASE bring your own lunch—snacks and drinks will be provided

Registration Fee: \$20 for Project Learning Tree AND \$25 for Project WET
(**2 separate checks**--\$20 made out to Missouri PLT and \$25 made out to Missouri State University—Thank you!)

Please fill out the registration form below and send with **two** checks (see above) to Erica Cox at the following address: Missouri State University, Department of Biology--Erica Cox, 901 S. National Ave., Springfield, MO 65897
