

WET/WILD Workshop for Educators

April 14, 2018

Scott Regional Technology Center, Monett

Project WET (Water Education for Teachers) has several interdisciplinary activities. You will learn how to use these hands-on activities to include in classroom or non-formal teaching. Project WILD gives educators active educational lessons about wildlife and how to incorporate these into your curriculum.

This workshop will cover Project WILD and Project WET. You will receive training for both and the books for each. Don't miss this great opportunity to learn both of these resources in one setting!

Workshop Date: April 14, 2018 from 8:30 AM —5:00 PM

Location: Scott Regional Technology Center, Monett, MO

Cost of Workshop: \$25 for WILD and \$25 for WET = \$50

Invoice needed? Email Tammy.

Plan on bringing a sack lunch!
