

**Getting Little Feet WET and Early Childhood  
Project Learning Tree Training Workshop**

Getting Little Feet WET and Early Childhood Project Learning Tree are educational activities that work with any educator’s curriculum. These educational programs are used for young children to introduce them to the natural world around them. Each educator that participates will receive the Getting Little Feet WET book and Early Childhood PLT book and CD with the training. These resources will help build new hands-on activities for young minds to learn about nature. Six clock hours are available through Child Care Aware of Missouri.

**Workshop Date: July 21, 2018 from 9:00 AM – 3:30 PM**

**Location: Kansas City Zoo, 6800 Zoo Drive, Kansas City, MO 64132**

**Cost of Workshop: \$30 (2 separate checks needed)**

Two separate checks: \$15 to: Missouri Project Learning Tree **AND** \$15 to: Missouri State University  
Plan on bringing a sack lunch to enjoy on zoo grounds!
