

Water Education for Teachers (WET) Workshop for Educators

November 17, 2018

Watershed Center, Springfield, Missouri

Project WET (Water Education for Teachers) has several interdisciplinary activities. You will learn how to use these hands-on activities to include in classroom or non-formal teaching. Project WET focuses on water activities. There are activities that involve outdoor science, indoor lab, and art!

This workshop will cover Project WET. You will receive training on how to use the guidebook and take it home with you after the workshop. It is packed with information and activities for any educator K-12 or nonformal.

Workshop Date: November 17, 2018 from 9:00 AM - 3:30 PM

Location: Watershed Center, Springfield, Missouri

Cost of Workshop: \$25, make check out to Missouri State University

Invoice needed? Email Tammy.

Plan on bringing a sack lunch!
